

F150C09FB10 Ford F150 Crew Cab (Loaded / Amplified)**Step 1**

Flip up driver side rear seat and place enclosure on floor as shown above. Enclosure should be even with the edge of the seat when it is in the down position.

Step 2

Place one bracket under and against enclosure as shown above. Move enclosure out of the way, making sure bracket doesn't move. Using (2) of the 2" screws from the supplied hardware, secure bracket to floor. (NOTE: When securing bracket to floor, make sure to check floor, and underside of vehicle for wire or objects). Move enclosure back into place against the now secured bracket and using (2) of the 1" screws from the supplied hardware secure enclosure to bracket.

Step 3

From passenger side place second bracket against enclosure as shown. Using supplied hardware, secure to floor and enclosure as done in Step 2.

Step 4

Make final speaker and or wire connection, fold down seat and enjoy. Your installation is now complete.
